

Introducing the Affinity from BodyWorks Therapy Equipment.

Taking value to a whole new level...

Committed to offering superior quality and value, BodyWorks is proud to offer the Affinity Massage Table. With its exceptional quality and a host of standard features, this quality table package redefines value. Skillfully crafted from quality materials the Affinity compares favorably with similar equipment easily costing twice as much. And with features like a finger-jointed hardwood frame, 4.5mm plywood deck, and double locking knobs, it's built to withstand the rigors and demands of professional use. The North American Hard Maple frame, and superior quality polyurethane vinyl, further exemplify our commitment to quality. While the included deluxe adjustable, aluminium frame headrest single pocket premium carry case, further exemplify our commitment to value. Confident in our quality the Affinity is backed by an industry leading Lifetime Warranty, a 30-Day Money Back Guaranty, and a 90-Day Best Value Guaranty. This beautifully crafted table is available in two richly elegant colors.
